योजना तथा वास्तुकला विद्यालय, विजयवाडा
School of Planning and Architecture, Vijayawada
An Institute of National Importance, MHRD, Govt. of INDIA.

Vision of the Institute

To achieve academic excellence in Architecture and Planning through innovation, creation, inclusion, acquiring and disseminating knowledge using sustainable local and global practices and enhancing the quality of society through responsible Built Environment.

CENTRAL LIBRARY

About

The Central Library of School of Planning and Architecture Vijayawada (SPAV) has started functioning since 2008. It is an integral part of academic system whose primary function is not only to serve students, researchers, faculty and staff but also to create a conducive environment for education, research and innovation.

The objective of the library is to become a central SOURCE of knowledge for PROFESSIONALS (academicians, architects, designers, engineers, scientists etc.) to empower ACADEMIA and enrich VISIBILITY.

At present, the library is holding more than 4280 collection of books and more than 100 numbers of periodicals (both print and electronic) and quite a few number of maps, theses and CD-ROMS (including Census, ASI, NSSO Data) etc. Library provides circulation, reference, CD-ROM, scanning, electronic document delivery and photocopy services to its users effectively. Moreover, library is attempting and ensuring the process of building resources and infrastructure facilities to reach users expectations and their demands.

Patrons

Regional (South - IV) Workshop on

Institutional Digital Repository
(IDR-2017)

April 21 – 22, 2017

Jointly Organized
by

Central Library,
School of Planning and Architecture, Vijayawada
and
National Digital Library
(NME-ICT Project), IIT Kharagpur

ABOUT THE NDL PROJECT

Ministry of Human Resource Development (MHRD), Govt. of India under its National Mission on Education through Information and Communication Technology has initiated the **National Digital Library (NDL) of India** pilot project to develop a framework of virtual repository of learning resources with a single-window search facility. Filtered and federated searching is employed to facilitate focused searching so that learners can find out the right resource with least effort and in minimum time. It is being arranged to provide support for all academic levels including researchers and life-long learners, all disciplines, all popular form of access devices and differently-abled learners.It is being developed at IIT Kharagpur.

The NDL will harvest metadata and contents from all the *Institutional Digital Repositories* (IDR) of Universities and Institutions, all other digital library initiatives, and NMEICT projects and index in the National Digital Library Server so that all the e-contents can be searched and accessed in the full-text by the users through a single window. Please visit https://ndl.iitkgp.ac.in for further information.

ABOUT THE WORKSHOP

The main purpose of this Regional (South - IV) Workshop on **"Institutional Digital Repository (IDR-2017)"** is to create awareness about an IDR and provide hands-on training in the creation, implementation and promotion of IDR across the educational institutions across the country especially in the Andhra Pradesh region and provide a single-window access with e-learning facility.

OBJECTIVES OF THE WORKSHOP

• To create an awareness about NDL (NMEICT Project);
• To contextualize the role of contributing institutions in the creation and execution of IDR;
• To provide hands-on training for the development of IDR with its technological applications and technical possibilities;
• To provide appropriate skills for the creation and mobilization of e-content of individual institutions that can be harvested and indexed by the NDL server; and
• Provide education on disaster recovery, restore and back up of IDR.

WORKSHOP METHODOLOGY

The two-day workshop will have two sessions (pre and post lunch) each day and mainly focus on the following

NDL Project
– National Digital Library – A Vision, Overview and Design – Metadata Envelop for NDL – Role of Contributing Institutions

IDR Hands-on
– Installation of DSpace Version 5.x – Configuration of DSpace (UI, OAI, ORE, Work flow model) – Registry process of NDL metadata Schema into installed Dspace – Uploading steps of e-content's metadata as per NDL metadata schema

TARGET AUDIENCE

Academicians, Library and Information Science (LISc) Professionals, IT Professionals etc. from respective educational institutions across the country especially in the Andhra Pradesh region.

LIMITATIONS

• **No. of Institutions: 30-35** (Per institute 2 persons only (one is Librarian another one is IT Professional)

• **Category of Institutions –** Central/State/Autonomous Government, Universities and Higher Education Institutions. Private institutions are not in priority but may be taken up there is vacancy.

REGISTRATION

• **Registration Fee   : None**
• **Last Date of Registration   : 10/04/2017**
• **Last Date of Confirmation   : 15/04/2017**
