

SPAV Civil & Structural Consultancy Cell

Testing of Concrete & Highway Materials

- Cement
- Sand
- Coarse Aggregate
- Concrete
- Bitumen
- Quality Control of Materials
- Concrete Mix Design

Structural Analysis, Design & Vetting

- RCC Structures -
- Steel Structures -
- Design Verification / Vetting / Certification -
- Third-Party Quality Control -

Test on Soil

- Safe Bearing Capacity of Soil -
- Permeability of Soil -
- CBR Test -

Non Destructive Testing

- Rebound Hammer Test -
- Ultra Sonic Pulse Velocity -
