### *Focus Group*

# Architects, Builders, Contractors & Civil Engineers

### **SPA Vijayawada**

School of Planning and Architecture Vijayawada (SPAV) was established in 2008 by the Ministry of Education, Govt. of India, as an Autonomous Institution. SPAV is a premier Centrally Funded Technical Institution and is an Institute of National Importance for excellence in the fields of Planning and Architecture. Excellent Infrastructure facilities, highly qualified, experienced & multi-disciplinary Faculty along with Industry experts from all over the country as resource persons, makes the quality of education and research at SPAV on par with leading Institutes of India.

### **SPAV Civil & Structural Consultancy Cell**

The specialised cell is established with an objective to offer the best solution to Construction Industry. Well qualified & experienced team has expertise in the fields of Civil & Structural Engineering. The professional services are offered in the areas of Structural Analysis, Structural design, Quality Control & Construction Materials Testing to the Construction Engineering Projects.

### **Services Offered**

SPAV has highly qualified personnel in the fields of Structural Analysis, Building Engineering, Building Construction, Material Testing, and Quality Assurance & Quality Control.

The Construction Industry can access the following services:

- Testing of Construction Materials & Soil
- Non Destructive Testing
- Analysis, Design & Vetting of RCC & Steel Structures
- Quality Assurance & Quality Control

The In-House Engineering Faculty will certify the Quality of Construction & Testing results according to the Building Industry requirements.

We have the expertise in offering Skill Development Programmes to the aspiring Professionals & Under-privileged students pursuing technical courses on demand basis.
