

10th दीक्षांत समारोह CONVOCATION

Convocation Report, SPA Vijayawada

July 29, 2026

योजना तथा वास्तुकला विद्यालय, विजयवाडा
School of Planning and Architecture, Vijayawada
An Institute of National Importance, Ministry of Education, Govt. of India

Chief Guest: Profile

Dr. Shekhar C. Mande

Hon. Distinguished Professor & Former Director
The National Centre for Cell Science (NCCS), Pune

Prof. Shekhar C. Mande is an eminent Indian scientist and scientific administrator and currently serves as President of the Indian National Science Academy (INSA). Prof. Mande is a distinguished structural and computational biologist with a strong background in molecular biophysics. He is a distinguished professor at Savitribai Phule Pune University, Pune. He earned his PhD from the Indian Institute of Science (IISc), Bangalore, and carried out postdoctoral research in the Netherlands and the United States. Prof. Mande's scientific work has focused and gained widespread reputation in the domains of protein structure, computational biology, and genome-wide analysis of proteins. He is well known for his seminal works and contributions towards understanding infectious diseases, including tuberculosis.

Over the course of his career, he has held several prominent leadership positions, including Director of the National Centre for Cell Science (NCCS), Pune, and Director General of the Council of Scientific and Industrial Research (CSIR), Government of India, and served as Secretary of the Department of Scientific and Industrial Research (DSIR).

Prof. Mande has played an important role in shaping India's science policy and research ecosystem. He is a recipient of the Shanti Swarup Bhatnagar Prize for Science and Technology and is a Fellow of all major Indian science academies. Through his research excellence and institutional leadership, he has made significant contributions to the advancement of science in India.

Message from Chief Guest

It gives me immense pleasure to extend my heartfelt congratulations to all the graduands, their proud parents and families. It is the students who form the soul of any Institute, and the young architects, planners and designers who are graduating today from this prestigious Institute have made us all proud to gather here, and I am deeply grateful to be in this august moment with you all. I also extend my congratulations to the distinguished guests and dedicated faculty members of SPA Vijayawada on this occasion of the 10th Convocation of the School of Planning and Architecture, Vijayawada.

A Convocation is more than the conferment of degrees. It is a celebration of perseverance, learning, and achievements, and marks the beginning of a new journey filled with responsibilities, opportunities and accountabilities. As graduates of Architecture and Planning, you are entering professions that will give shape to our cities, our environment, buildings, roads, parks and many other aspects of our lives and will influence the quality of living of our communities. Along with technical excellence, our society expects from you integrity, innovation, empathy, and a commitment to sustainable and inclusive development. You play a strong role in shaping our cities and giving them identity. The world is evolving rapidly with advancements in Artificial Intelligence, digital technologies, and climate-responsive design. At the same time, challenges such as climate change, diseases, urbanisation, resource conservation, and resilience are everywhere. In such a milieu, I call for thoughtful and ethical leadership by each one of you to face the ups and downs on life as we move on towards Viskhit Bharat.

Dear graduands, as you leave SPA Vijayawada, remember that you will always remain a part of its family. Carry forward the knowledge, confidence, and values nurtured during your time here, and strive to make meaningful contributions to society through your profession.

I once again congratulate the graduating class of the 10th Convocation of the School of Planning and Architecture, Vijayawada. I wish you every success, happiness, and fulfilment in your future endeavours.

Best wishes. Jai Hind!

Dr. Shekhar C. Mande

Hon. Distinguished Professor & Former Director
The National Centre for Cell Science (NCCS), Pune

The Chairperson, Board of Governors, SPA Vijayawada: Profile

Dr. Ar. Amogh Kumar Gupta

Chairperson, Board of Governors, SPA Vijayawada

Dr. Amogh Kumar Gupta has over 38 years of professional experience in Architecture, Urban Development, and Environmental Sciences. He is an eminent Architect and Valuer based in Bhopal and is well known across India and abroad in the domains of Architecture and Planning and also in Academics for his leadership qualities and professional contributions. Dr. Amogh earned his B.Arch. and M.Arch. (PHE & Environmental Planning) from the reputed Maulana Azad National Institute of Technology (MANIT), Bhopal, and thereafter completed his Ph.D. on "Validation of Traditional Indian Knowledge of Home Building".

A distinguished academician and professional leader, Dr. Gupta has served as Chairperson, Board of Governors, School of Planning and Architecture, Delhi; National Junior Vice-President, Indian Institute of Architects (IIA); Member and Executive Committee Member, Council of Architecture (CoA), India; Chairman, Discipline Committee, CoA; and President, Vigyan Bharati, Madhya Bharat Prant. He has been associated with the Boards of Governors of several premier institutions, including MANIT Bhopal, SPA Bhopal, and Samrat Ashok Technological Institute, Vidisha, and has served as an Independent Director of Dilip Buildcon Limited and the Satna Smart City Project.

Dr. Gupta's professional portfolio includes planning and design of housing, urban development, institutional, healthcare, sports, and infrastructure projects across India. He has also contributed extensively to national and state-level committees on development planning, building byelaws, architectural education, heritage conservation, and tourism. He is a beacon in interdisciplinary studies that look at Architecture and Planning in a holistic perspective with human and environmental values.

Message of the Chairperson, Board of Governors

To the distinguished Chief Guest, esteemed members of the Board of Governors, Director, Deans, Head of the Departments, respected faculty, honoured parents and guardians, distinguished guests, and most importantly, the graduating students of the School of Planning and Architecture, Vijayawada. My warm greetings to all of you on this proud and memorable occasion. It is indeed a privilege to stand before you today at the 10th Convocation of the School of Planning and Architecture, Vijayawada—an institution that has steadily established itself as a centre of excellence in architecture, planning, and design education. Today is much more than the award of degrees; it is a celebration of your perseverance, creativity, and transformation into professionals who will help shape the future of our nation.

A convocation is not merely the conferring of degrees. It is the recognition of years of hard work, countless sleepless nights, rigorous studio sessions, demanding juries, field visits, and the quiet determination that has brought you to this significant milestone. Architectural education extends far beyond classrooms, drawings, models, or software. It develops not only technical competence but also sensitivity towards society, culture, environment, and humanity. As Albert Einstein wisely said:

"Education is not the learning of facts. It is rather the training of the mind to think."

During your years at SPA Vijayawada, you have gained much more than professional knowledge. You have nurtured creativity, strengthened resilience, learned collaboration, and developed a sense of responsibility towards society. Architecture and planning are not merely about designing buildings or cities—they are about shaping human experiences, creating sustainable environments, preserving heritage, and improving the quality of life for generations to come. At this important stage of your life, I would like to share a profound thought by Lao Tzu:

*If you are depressed, you are living in the past.
If you are anxious, you are living in the future.
If you are at peace, you are living in the present.*

अतीत पर ध्यान मत दो, भविष्य के बारे में अत्यधिक चिंतित मत हो—अपने मन को वर्तमान क्षण में केंद्रित करो। "हृदय में अतीत का गौरव, आँखों में भविष्य के सपने, और वर्तमान में कर्म—यही सफलता का मार्ग है।"

As you enter professional life, your greatest strength will be your ability to remain present—observant, thoughtful, and responsible in every decision you make. Confidence is the foundation of achievement. I encourage each one of you to carry a strong inner voice, as Dr. A. P. J. Abdul Kalam reminded us:

10th दीक्षांत समारोह CONVOCATION

*"I am the best. I can do it. God is always with me. I am a winner. Today is my day."
These are not merely words; they are beliefs that shape one's destiny.*

Allow me to share a simple framework for life—the Three D's:

Decide – Make a conscious choice about the path you want to follow.
Dare – Have the courage to take calculated risks.
Develop – Growth comes only when you step beyond your comfort zone.

Similarly, remember the Three F's:

Faith – Believe in yourself and in the Almighty.
Focus – Stay committed and sincere in your work.
Fortitude – Persevere through challenges with resilience.

These simple principles will guide you through uncertainty and keep you grounded. Today is also a day of gratitude.

आपके लक्ष्य और सपनों को साकार करने के लिए आपके माता-पिता ने अपने अनेक सपनों का त्याग किया होगा, अनेक कठिनाइयों का सामना किया होगा, ताकि आपका भविष्य उज्ज्वल और सार्थक बन सके।

I extend my heartfelt congratulations to all parents and guardians. Your sacrifices, encouragement, and unwavering support have made this achievement possible. As you now step into professional life, let us reflect on a simple question — What does it truly mean to be a professional?

A professional is one who contributes to society through specialized knowledge and ethical practice. Whether you become an architect, planner, urban designer, conservation expert, researcher, entrepreneur, or public servant, your work will influence the lives of countless people.

But an equally important question is: क्या हम अपने ज्ञान और विद्या का सही उपयोग कर रहे हैं?

In India, the freedom to practice any profession is guaranteed under Article 19(1)(g) of the Constitution, subject to reasonable restrictions in the larger interest of society. As architects and planners, every decision you make will shape the built environment where people live, work, learn, and grow. Therefore, your professional freedom must always be guided by ethics, responsibility, and public welfare. We also live in an age where information reaches us instantly and Artificial Intelligence is rapidly transforming the way we work. AI can generate drawings, analyse data, optimise designs, and assist in decision-making within seconds. It is an extraordinary technological advancement that every professional should learn to use. However, I would like to leave you with one important thought: Never become a slave to Artificial Intelligence. Instead, make AI your assistant. You must always remain above the technology, guiding it with your creativity, wisdom, ethics, and critical thinking. AI may provide answers, but only human beings can ask the right

questions, understand emotions, appreciate culture, and take responsibility for decisions. Technology should empower your intellect—not replace it. In today's world, we are constantly influenced by narratives and appearances. Therefore, develop the habit of questioning, analysing, and thinking independently before accepting anything as truth. Critical thinking will remain one of the greatest strengths of every successful professional.

Our rich cultural heritage offers timeless guidance. Swami Vivekananda's words continue to inspire generations:

Value those who stand by you.
Respect those who support you.
Always remain sincere in your relationships.

Dear Graduates, the journey ahead will present challenges, uncertainties, and moments of self-doubt. Yet it will also offer opportunities to innovate, to lead, and to create meaningful change. The future of our cities, our communities, and our nation will increasingly depend on professionals like you. Always remember:

विद्या ददाति विनयं, विनयाद् याति पात्रताम्।
पात्रत्वात् धनमाप्नोति, धनात् धर्मं ततः सुखम्॥

Remain curious. Remain humble. Continue learning, because education does not end with a degree—it continues throughout life. As you leave this campus today, carry with you not only the knowledge you have acquired but also the values that this institution has instilled in you. In closing, I extend my heartfelt congratulations to every graduating student. The world awaits your ideas, your creativity, your innovation, and your leadership.

Go forward with confidence, integrity, compassion, and humility.
Design responsibly. Plan sustainably. Serve society with dedication.
Make your profession meaningful and make your life purposeful.

और अंत में मैं बस इतना कहना चाहूँगा—
उठो, जागो, और तब तक मत रुको जब तक आपका लक्ष्य प्राप्त न हो जाए।
आप सभी को उज्ज्वल, सफल एवं सार्थक भविष्य के लिए मेरी हार्दिक शुभकामनाएँ।

Thank you, and congratulations once again.

Dr. Ar. Amogh Kumar Gupta,
Chairperson, Board of Governors, SPA Vijayawada

चेयरपर्सन, बोर्ड ऑफ़ गवर्नर्स का संदेश

दीक्षांत समारोह संबोधन

स्कूल ऑफ़ प्लानिंग एंड आर्किटेक्चर, विजयवाड़ा का 10वाँ दीक्षांत समारोह : 29 जुलाई 2026

माननीय मुख्य अतिथि, बोर्ड ऑफ़ गवर्नर्स के आदरणीय सदस्यगण, निदेशक महोदय, अधिष्ठातागण, विभागाध्यक्ष, सम्मानित प्राध्यापकगण, आदरणीय अभिभावकगण, विशिष्ट अतिथिगण तथा सबसे महत्वपूर्ण—स्कूल ऑफ़ प्लानिंग एंड

आर्किटेक्चर, विजयवाड़ा के स्नातक उपाधि प्राप्त करने वाले प्रिय विद्यार्थियों—

इस गौरवपूर्ण एवं अविस्मरणीय अवसर पर आप सभी को मेरी हार्दिक शुभकामनाएँ एवं सादर अभिवादन।

आज स्कूल ऑफ़ प्लानिंग एंड आर्किटेक्चर, विजयवाड़ा के 10वें दीक्षांत समारोह में आपके समक्ष उपस्थित होना मेरे लिए अत्यंत गौरव और सौभाग्य का विषय है -- यह संस्थान निरंतर वास्तुकला, नियोजन तथा अभिकल्प शिक्षा के क्षेत्र में उत्कृष्टता के एक प्रतिष्ठित केंद्र के रूप में अपनी पहचान स्थापित कर रहा है। आज का यह अवसर केवल उपाधियों के वितरण का नहीं, बल्कि आपके धैर्य, सृजनात्मकता और उस परिवर्तन का उत्सव है, जिसने आपको ऐसे सक्षम पेशवरों

के रूप में तैयार किया है जो हमारे राष्ट्र के भविष्य के निर्माण में महत्वपूर्ण भूमिका निभाएँगे।

दीक्षांत समारोह केवल उपाधियाँ प्रदान करने का औपचारिक अवसर नहीं होता, बल्कि यह वर्षों के कठोर परिश्रम,

अनगिनत जागकर बिताई गई रातों, स्टूडियो में किए गए गहन अभ्यास, चुनौतीपूर्ण ज्यूरी प्रस्तुतियों, फील्ड विज़िट्स तथा

उस शांत किन्तु अटूट संकल्प का सम्मान है, जिसने आपको जीवन के इस महत्वपूर्ण पड़ाव तक पहुँचाया है।

वास्तुकला की शिक्षा केवल कक्षाओं, रेखाचित्रों, मॉडलों या सॉफ्टवेयर तक सीमित नहीं होती। यह केवल तकनीकी दक्षता

ही नहीं, बल्कि समाज, संस्कृति, पर्यावरण और मानवता के प्रति संवेदनशीलता का भी विकास करती है। जैसा कि महान

वैज्ञानिक अल्बर्ट आइंस्टीन ने कहा था—

"शिक्षा तथ्यों को सीखने का नाम नहीं है, बल्कि मन को सोचने के लिए प्रशिक्षित करने की प्रक्रिया है।"

स्कूल ऑफ़ प्लानिंग एंड आर्किटेक्चर, विजयवाड़ा में अपने अध्ययन के वर्षों के दौरान आपने केवल व्यावसायिक ज्ञान ही

अर्जित नहीं किया है, बल्कि अपनी सृजनात्मकता को विकसित किया, चुनौतियों का सामना करने की क्षमता को सुदृढ़

बनाया, सहयोग की भावना को आत्मसात किया तथा समाज के प्रति अपने उत्तरदायित्व का भी बोध प्राप्त किया है।

वास्तुकला और नियोजन केवल भवनों या नगरों के निर्माण तक सीमित नहीं हैं; वे मानवीय अनुभवों को आकार देने, सतत्

एवं संतुलित परिवेश का निर्माण करने, हमारी सांस्कृतिक विरासत के संरक्षण तथा आने वाली पीढ़ियों के जीवन की

गुणवत्ता को बेहतर बनाने का माध्यम हैं।

जीवन के इस महत्वपूर्ण पड़ाव पर मैं आपको दार्शनिक लाओ त्से का एक अत्यंत प्रेरणादायक विचार स्मरण कराना

चाहूँगा—

"यदि आप निराश हैं, तो आप अतीत में जी रहे हैं।

यदि आप चिंतित हैं, तो आप भविष्य में जी रहे हैं।

यदि आप शांत हैं, तो आप वर्तमान में जी रहे हैं।"

**अतीत पर ध्यान मत दो, भविष्य के बारे में अत्यधिक चिंतित मत हो—अपने मन को वर्तमान क्षण में केंद्रित करो।
"हृदय में अतीत का गौरव, आँखों में भविष्य के सपने, और वर्तमान में कर्म—यही सफलता का मार्ग है।"**

जब आप अपने व्यावसायिक जीवन में प्रवेश करेंगे, तब आपकी सबसे बड़ी शक्ति वर्तमान में जीने की क्षमता होगी—हर परिस्थिति को सजगता से देखना, गहराई से विचार करना और प्रत्येक निर्णय को उत्तरदायित्व के साथ लेना। आत्मविश्वास ही प्रत्येक उपलब्धि की आधारशिला है। मैं आप सभी से आग्रह करता हूँ कि अपने भीतर एक सशक्त और सकारात्मक स्वर को सदैव जीवित रखें। भारत के पूर्व राष्ट्रपति एवं महान वैज्ञानिक डॉ. ए. पी. जे. अब्दुल कलाम ने हमें यह प्रेरणा दी है —

"मैं सर्वश्रेष्ठ हूँ। मैं यह कर सकता हूँ। ईश्वर सदैव मेरे साथ है। मैं विजेता हूँ। आज का दिन मेरा है।"

ये केवल प्रेरणादायक शब्द नहीं हैं, बल्कि ऐसे विश्वास हैं जो व्यक्ति के व्यक्तित्व का निर्माण करते हैं और उसके भविष्य की दिशा निर्धारित करते हैं।

मैं जीवन के लिए एक सरल किन्तु प्रभावी सूत्र आपके साथ साझा करना चाहता हूँ— **तीन 'D'।**

Decide (निर्णय) – जिस मार्ग पर आपको आगे बढ़ना है, उसका सजग और स्पष्ट चयन करें।

Dare (साहस) – सोच-समझकर जोखिम लेने का साहस रखें।

Develop (विकास) – वास्तविक प्रगति तभी होती है जब आप अपनी कांफोर्ट जोन से बाहर निकलते हैं।

इसी प्रकार **तीन 'F'** को भी सदैव स्मरण रखें—

Faith (विश्वास) – स्वयं पर और ईश्वर पर विश्वास रखें।

Focus (एकाग्रता) – अपने कार्य के प्रति समर्पित और ईमानदार रहें।

Fortitude (धैर्य एवं दृढ़ता) – चुनौतियों का सामना साहस और धैर्य के साथ करें।

ये सरल सिद्धांत आपको अनिश्चित परिस्थितियों में सही दिशा देंगे और जीवन में स्थिरता प्रदान करेंगे।

आज का दिन कृतज्ञता व्यक्त करने का भी दिन है।

आपके लक्ष्य और सपनों को साकार करने के लिए आपके माता-पिता ने अपने अनेक सपनों का त्याग किया होगा, अनेक कठिनाइयों का सामना किया होगा, ताकि आपका भविष्य उज्ज्वल और सार्थक बन सके।

मैं सभी माता-पिता और अभिभावकों को हृदय से बधाई देता हूँ। आपके त्याग, प्रोत्साहन और अटूट सहयोग ने ही इस उपलब्धि को संभव बनाया है।

अब जब आप व्यावसायिक जीवन में प्रवेश करने जा रहे हैं, तो आइए एक सरल प्रश्न पर विचार करें—

एक सच्चा प्रोफेशनल होना वास्तव में क्या है?

एक प्रोफेशनल वह है जो अपने विशिष्ट ज्ञान और नैतिक आचरण के माध्यम से समाज की सेवा करता है। चाहे आप वास्तुकार बनें, नियोजक, शहरी अभिकल्पक, संरक्षण विशेषज्ञ, शोधकर्ता, उद्यमी या लोकसेवक—आपका कार्य असंख्य लोगों के जीवन को प्रभावित करेगा।

किन्तु इससे भी अधिक महत्वपूर्ण प्रश्न है—

क्या हम अपने ज्ञान और विद्या का सही उपयोग कर रहे हैं?

भारत में किसी भी व्यवसाय या पेशे को अपनाने की स्वतंत्रता संविधान के अनुच्छेद 19(1)(g) के अंतर्गत प्रत्येक नागरिक को प्रदान की गई है। किन्तु यह स्वतंत्रता समाज के व्यापक हित में लगाए गए युक्तिसंगत प्रतिबंधों के अधीन है।

एक वास्तुकार और नियोजक के रूप में आपके प्रत्येक निर्णय का प्रभाव उस निर्मित परिवेश पर पड़ेगा, जहाँ लोग रहते हैं, कार्य करते हैं, शिक्षा प्राप्त करते हैं और अपने जीवन का विकास करते हैं। इसलिए आपकी व्यावसायिक स्वतंत्रता सदैव नैतिकता, उत्तरदायित्व और जनकल्याण के सिद्धांतों से निर्देशित होनी चाहिए।

हम ऐसे युग में रह रहे हैं जहाँ सूचनाएँ क्षण भर में हमारे सामने उपलब्ध हो जाती हैं और अतिफिक्ल इंटेलिजेंस हमारे कार्य करने के तरीके को तीव्र गति से परिवर्तित कर रही है। ए आई कुछ ही क्षणों में रेखाचित्र तैयार कर सकती है, आँकड़ों का विश्लेषण कर सकती है, डिज़ाइनों का अनुकूलन कर सकती है तथा निर्णय-निर्माण में सहायता प्रदान कर सकती है।

यह निस्संदेह एक असाधारण तकनीकी उपलब्धि है, जिसका उपयोग प्रत्येक पेशेवर को सीखना चाहिए।

किन्तु मैं आपको एक महत्वपूर्ण संदेश देना चाहूँगा—कभी भी कृत्रिम बुद्धिमत्ता के दास मत बनिए; बल्कि ए आई को अपना सहायक बनाइए। तकनीक से सदैव एक कदम आगे रहिए और उसे अपनी सृजनात्मकता, विवेक, नैतिकता तथा आलोचनात्मक चिंतन के माध्यम से दिशा दीजिए। ए आई उत्तर दे सकती है, परन्तु सही प्रश्न पूछना, मानवीय भावनाओं को समझना, संस्कृति का सम्मान करना तथा अपने निर्णयों की जिम्मेदारी लेना केवल मनुष्य की ही क्षमता है। तकनीक का उद्देश्य आपकी बुद्धि को सशक्त बनाना है, उसका स्थान लेना नहीं।

आज के समय में हम निरंतर सूचनाओं, कथनों और बाहरी आडंबरों से प्रभावित होते रहते हैं। इसलिए किसी भी बात को सत्य मानने से पहले उसे प्रश्नों की कसौटी पर परखने, उसका विश्लेषण करने तथा स्वतंत्र रूप से विचार करने की आदत विकसित कीजिए। आलोचनात्मक चिंतन प्रत्येक सफल पेशेवर की सबसे बड़ी शक्तियों में से एक है और भविष्य में भी बना रहेगा।

हमारी समृद्ध सांस्कृतिक विरासत हमें जीवन के लिए अमूल्य मार्गदर्शन प्रदान करती है। स्वामी विवेकानंद के विचार आज भी पीढ़ियों को प्रेरित करते हैं—

जो आपके साथ खड़े रहें, उनका सम्मान कीजिए।
जो आपका सहयोग करें, उनके प्रति कृतज्ञ रहिए।
और अपने प्रत्येक संबंध में सदैव ईमानदार एवं सच्चे रहिए।

10th दीक्षांत समारोह CONVOCATION

प्रिय स्नातक विद्यार्थियों,

आपकी आगे की यात्रा अनेक चुनौतियाँ, अनिश्चितताएँ और आत्म-संशय के क्षण लेकर आएगी। किन्तु यही यात्रा आपको नवाचार करने, नेतृत्व प्रदान करने और समाज में सार्थक परिवर्तन लाने के अनगिनत अवसर भी देगी। हमारे नगरों, समुदायों और राष्ट्र का भविष्य दिन-प्रतिदिन आप जैसे समर्पित और सक्षम पेशेवरों पर अधिकाधिक निर्भर होता जाएगा।

सदैव इस श्लोक को स्मरण रखें—

विद्या ददाति विनयं, विनयाद् याति पात्रताम्।

पात्रत्वात् धनमाप्नोति, धनात् धर्मं ततः सुखम्॥

अर्थात् विद्या से विनय प्राप्त होता है, विनय से पात्रता, पात्रता से धन, धन से धर्म और अंततः धर्म से सुख की प्राप्ति होती है। जिज्ञासु बने रहिए। विनम्र बने रहिए। सीखते रहिए, क्योंकि शिक्षा उपाधि प्राप्त करने के साथ समाप्त नहीं होती, बल्कि जीवन भर चलने वाली सतत् प्रक्रिया है। आज जब आप इस परिसर से विदा ले रहे हैं, तब अपने साथ केवल अर्जित ज्ञान ही नहीं, बल्कि उन जीवन-मूल्यों को भी लेकर जाइए, जिन्हें इस संस्थान ने आपके व्यक्तित्व में संस्कारित किया है।

अंत में, मैं प्रत्येक स्नातक विद्यार्थी को हार्दिक बधाई एवं शुभकामनाएँ देता हूँ। विश्व आपकी कल्पनाशीलता, आपकी सृजनात्मकता, आपके नवाचार और आपके नेतृत्व की प्रतीक्षा कर रहा है।

आत्मविश्वास, सत्यनिष्ठा, करुणा और विनम्रता के साथ आगे बढ़िए।

उत्तरदायित्व के साथ डिज़ाइन कीजिए।

सतत् विकास के सिद्धांतों पर आधारित नियोजन कीजिए।

और पूर्ण समर्पण के साथ समाज की सेवा कीजिए।

अपने पेशे को सार्थक बनाइए और अपने जीवन को उद्देश्यपूर्ण बनाइए।

और अंत में मैं बस इतना कहना चाहूँगा—

"उठो, जागो, और तब तक मत रुको जब तक आपका लक्ष्य प्राप्त न हो जाए।"

आप सभी को उज्ज्वल, सफल एवं सार्थक भविष्य के लिए मेरी हार्दिक शुभकामनाएँ।

धन्यवाद! एक बार पुनः आप सभी को हार्दिक बधाई एवं शुभकामनाएँ।

डॉ. अमोघ कुमार गुप्ता

10th दीक्षांत समारोह
CONVOCATION

Profile of the Director

Prof. Dr. Ramesh Srikonda

Director, School of Planning and Architecture, Vijayawada

Prof. Dr. Ramesh Srikonda is the Director of the School of Planning and Architecture, Vijayawada and an accomplished architect, planner, academician, and researcher with nearly four decades of professional and academic experience. He obtained his B.Arch. from JNTU Hyderabad (1982), M.T.P. (Town and Country Planning) from Anna University, Chennai (1984), a Post Graduate Diploma in Ecology and Environment, and earned his Ph.D. from the Indian Institute of Technology (IIT) Delhi, focusing on energy conservation in buildings, sustainable building materials, and climate-responsive design.

Prof. Srikonda joined the Central Architectural Services (UPSC) in 1985 and served the Government of India in several key positions, including Chief Architect and Director (Slum & JJ). He joined SPA Vijayawada in 2010 as Professor and has served as Head of the Departments of Architecture and Planning, Dean of Studies, and Vigilance Officer, before assuming the office of Director in September 2022.

He was instrumental in establishing the M.Arch. (Sustainable Architecture) programme at SPA Vijayawada. A prolific researcher, he has published over 100 technical papers, guided numerous doctoral scholars, and led several research and consultancy projects. He also serves on various national committees, including those of UPSC and the National Board of Accreditation (NBA), is a Council Member of the Institute of Town Planners, India (ITPI), and is the recipient of seven national and international awards.

DIRECTOR'S REPORT: 2025-26

I extend my deepest gratitude to welcome our Distinguished Chief Guest of the day, Dr. Shekhar C. Mande, Hon. Distinguished Professor and Former Director of The National Centre for Cell Science (NCCS), Pune. I take pride in also welcome our Honourable Chairperson, Board of Governors, Dr. Ar. Amogh Kumar Gupta, on this august gathering. It is also my great privilege and honour to welcome all the esteemed Members of the Board of Governors and the Senate; distinguished guests; faculty members; staff; proud parents; dear graduands - to the 10th Convocation of the School of Planning and Architecture, Vijayawada. As you all know, Convocation is one of the most cherished occasions in the life of a student and also an academic institution. It celebrates not only the successful completion of academic programmes but also the aspirations, learnings, determination, and accomplishments of every graduating student. Today, I take immense pride in recognizing the dedication and hard work of each student who has spent their time on this campus, and I happily celebrate this important milestone, alongside their families and well-wishers.

The School of Planning and Architecture, Vijayawada, established by the Ministry of Education, Government of India, is an Institution of National Importance and has steadily evolved into an Institution of Eminence and Excellence in Architecture, Planning, and Design education. Through quality teaching, impactful research, professional engagement, and meaningful collaborations, the Institute continues to nurture young minds into professionals capable of addressing complex and contemporary challenges in the built environment. Our commitment as an Academic Institution remains steadfastly focused on academic excellence, innovation, sustainability, and societal relevance.

This memorable occasion is further enriched by the gracious presence of our Hon' Chief Guest, Dr. Shekhar C. Mande. Prof Mande is an eminent scientist, a distinguished academic leader, and internationally respected researcher. His remarkable contributions to scientific research, institution building, and national science policy have inspired generations of scholars and professionals. We are deeply honoured by his presence and sincerely thank him for accepting our invitation to address our graduating students on this significant occasion. Let me now enlighten all of you briefly upon a few of our institutional milestones of pride, from the previous year.

ACADEMIC EXCELLENCE AND PROFESSIONAL EDUCATION

The School of Planning and Architecture, Vijayawada (SPA Vijayawada) presently comprises two academic departments—Architecture and Planning—offering a comprehensive range of Undergraduate, Postgraduate, and Doctoral programmes designed to address the evolving needs of the built environment. SPA Vijayawada offers two Undergraduate programmes, nine Postgraduate programmes, and Doctoral (Ph.D.) programmes.

The Department of Architecture offers the Bachelor of Architecture (B.Arch.) and postgraduate programmes in Sustainable Architecture, Landscape Architecture, Architectural Conservation, Building Engineering and Management, Urban Design, and Design (M.Des.). The Department of Planning offers the Bachelor of Planning (B.Plan.) and postgraduate programmes in Environmental Planning and Management, Urban and Regional Planning, and Transport Planning. Since 2012–13, the Institute has also been offering Ph.D. programmes in Architecture and Planning, fostering advanced research and interdisciplinary scholarship.

The academic ecosystem at SPA Vijayawada integrates critical design thinking, rigorous scientific inquiry, innovation evolution, and constant professional engagement. Through a contemporary and adaptive curriculum, well-equipped laboratories and studios, collaborative research, industry partnerships, and community outreach, the Institute nurtures professionals and researchers equipped to address the complex challenges of sustainable development, resilient cities, heritage conservation, and the future of the built environment. Guided by a culture of creativity, critical thinking, and lifelong learning, SPA Vijayawada continues to prepare graduates who contribute meaningfully to society at regional, national, and global levels.

NATIONAL AND INTERNATIONAL COLLABORATIONS

SPA Vijayawada actively fosters academic excellence through strategic collaborations with leading universities, research institutions, professional bodies, government agencies, and industry partners in India and abroad. These partnerships strengthen academic programmes, promote collaborative research, facilitate student and faculty exchanges, encourage joint workshops and conferences, and create opportunities for innovation and professional engagement. The Institute has established Memoranda of Understanding (MoUs) with several internationally reputed institutions, including the Boston Architectural College, USA, Université de Lille, France, and École Bleue Global Design,

Paris, France, among others. These collaborations provide valuable global exposure for students and faculty while promoting the exchange of knowledge, research, and best practices in Architecture, Planning, and Design.

This is to mention that students from École Bleue Global Design, Paris, France are visiting SPA Vijayawada this semester and our students have already visited École Bleue Global Design as a part of the student exchange programme, which had credit exchanges and interoperability. In a similar light, our students are now going to visit Université de Lille, France in October for which the preparations are underway. Faculty from Université de Lille, France has already visited us with lectures and academic inputs and soon our faculty shall also be visiting the Université de Lille, France in this semester. Such exchanges are unique and fosters exposure, shared learning and students' proliferation.

At the national level, SPA Vijayawada maintains strong partnerships with premier academic institutions, professional councils, government organisations, and research agencies. The Institute works closely with the Council of Architecture (CoA), Institute of Town Planners, India (ITPI), Indian Institute of Architects (IIA), All India Council for Technical Education (AICTE), National Remote Sensing Centre (NRSC), National Institute of Design (NID), Andhra Pradesh, National Research Development Corporation (NRDC), and the other Schools of Planning and Architecture at New Delhi and Bhopal. It also collaborates with state agencies such as the Vijayawada Municipal Corporation (VMC), Andhra Pradesh Human Resource Development Institute (AP-HRDI), APTIDCO, and other government organisations on research, consultancy, capacity building, and policy initiatives.

Beyond formal collaborations, the Institute actively engages with society through exhibitions, design studios, outreach programmes, capacity-building initiatives, consultancy projects, and community-based research. Public exhibitions showcasing student work, research outcomes, and consultancy projects provide a platform for interaction between academia, professionals, government agencies, and the wider community. These initiatives reflect SPA Vijayawada's commitment to applying knowledge for societal benefit and contributing to sustainable, inclusive, and resilient development at regional, national, and global levels.

RESEARCH, CONSULTANCY AND INNOVATION

Research and innovation form the cornerstone of academic excellence at the School of Planning and Architecture, Vijayawada. The Institute actively nurtures a vibrant research culture by encouraging faculty members, scholars, and students to undertake interdisciplinary research addressing contemporary challenges in architecture, planning, design, sustainability, urban development, heritage conservation, infrastructure, mobility, and climate resilience.

Over the years, SPA Vijayawada has successfully undertaken numerous externally funded research and consultancy projects supported by national and state governments, public sector organisations, development authorities, and industry partners. Ongoing and recently completed projects span a wide range of domains, including regional and spatial planning, heritage conservation, transportation and mobility planning, sustainable infrastructure, tourism development, urban renewal, affordable housing, institutional master planning, bridge aesthetics, landscape design, fire safety audits, and climate-resilient urban development. Some notable initiatives that were recently accomplished and completed are - the SAAR–Sameeksha Project, the Gram Panchayat Spatial Development Plans (GPSDPs) in Andhra Pradesh, the Regional Plan for Tiruchirappalli, the Urban Sustainable Land Reconstitution Project in Kochi, the Traffic and Mobility Plan for Jaipur Walled City, the Srisaillam Development Project, Lepakshi Handicrafts Emporium Interiors, APTIDCO Housing Projects, AIIMS Mangalagiri Fire Safety Audit, and several landmark consultancy assignments undertaken across the country.

A major milestone in the Institute's journey has been its recognition by the Ministry of Housing and Urban Affairs, Government of India, as a Centre for Urban Planning Capacity Building (ACUPCB-SPAV) under the AMRUT mission. The ACUPCB-SPAV, which acts as a Centre of Excellence, is funded by the Ministry of Housing and Urban Affairs and has emerged as an important hub for applied urban research, professional training, and policy support, working closely with Urban Local Bodies and government agencies to address critical urban challenges. Under the AMRUT framework, A-CUPCB-SPAV has taken up projects under City Applied Research (CAR) and Targeted Urban Research (TUR) projects that focus on climate resilience, sustainable mobility, energy-efficient planning, urban heat mitigation, flood resilience, and evidence-based urban governance. It has completed 07 research projects this year across Southern India, focusing on aspects of climate-sensitive urban planning. The AMRUT Centre in SPAV has worked out solutions related to – (a) flood risk in Machilipanam, (b) adaptive zonal and building regulations that reduce formation of urban heat islands in

Hyderabad, (c) modified zonal development controls that reduce energy consumption in Tirupati, (d) streamlines emergency vehicles movement in Vijayawada, (e) reduces local air pollution through urban design and traffic measure in Vijayawada, (f) suggested ways to improve efficiency of public transport in Vishakhapatnam. Practical planning solutions submitted by ACUPCB-SPAV, are in different stages of adoption and implementation by the concerned ULBs. Seeing the performance of ACUPCB-SPAV, the Government of India has extended its funding for another phase of innovative research in planning. The ACUPCB-SPAV also secured a major research project on Preparation of Local Area Plans (LAP) with Transit-Oriented Development (TOD) for Hyderabad Metro stations under Hyderabad Unified Metropolitan Transport Authority (HUMTA).

The ACUPCB-SPAV has also completed 10 capacity building programmes that have trained over 185 government officials from around the nation and a similar number of private professionals on various cutting-edge techniques and tools that can help them augment their skills in mid-career stages. These training programmes are residential training programmes, that are offered tailor-made for various government and municipal officers upscaling their skillsets on planning, surveying, project management, GIS, hazard management and appropriate needs.

The Design and Innovation Centre (DIC) at SPA Vijayawada continues to promote innovation, product development, and interdisciplinary problem-solving aligned with the objectives of the National Education Policy (NEP) 2020. Through laboratory-based learning, design experimentation, entrepreneurship, and industry collaboration, the Centre provides an enabling ecosystem for developing socially relevant and technologically innovative solutions. The DIC of SPAV has facilitated the filing of 44 Patents (leading to 100 contributions as a team) across diverse engineering and technology domains, demonstrating strong research output. The 44 published patents are spread across varied fields of innovation with 4 in Biomedical Engineering; 9 in Mechanical Engineering ;16 in Computer Science; 10 in Physics; 2 in Electronics; 2 in Civil Engineering; and 1 in Electrical Engineering. Out of these 5 creative and industrial design innovations have been formally registered for legal protection.

These research and consultancy initiatives strengthen the Institute's engagement with government, industry, and society while enriching classroom teaching through practice-based learning. Students gain valuable exposure to real-world projects, multidisciplinary collaboration, and professional practice, preparing them to address complex challenges in

the built environment. The faculty members of SPA Vijayawada make significant scholarly contributions through high-quality research publications in reputed national and international journals, conference proceedings, books, and edited volumes. They actively participate in academic conferences, workshops, and collaborative research programmes in India and abroad, supported through institutional initiatives such as the Cumulative Professional Development Allowance (CPDA). Their research achievements have earned several prestigious recognitions, including national and international awards, further enhancing the academic reputation of the Institute.

SPA Vijayawada continues to strengthen its position as a leading institution in Architecture and Planning through a range of strategic academic, research, and capacity-building initiatives. Guided by a commitment to excellence, the Institute promotes an ecosystem that integrates quality education, impactful research, professional practice, and societal engagement to address contemporary challenges in the built environment.

The Institute regularly organizes national and international conferences, workshops, seminars, expert lectures, faculty development programmes, and outreach activities that encourage interdisciplinary learning and professional growth. These initiatives focus on themes such as sustainable architecture and planning, climate-responsive design, energy efficiency, green buildings, heritage conservation, urban resilience, digital technologies, gender equity, professional ethics, entrepreneurship, and emerging practices in architecture and planning. Through these platforms, students and faculty actively engage with leading academicians, practitioners, policymakers, and industry experts from across the globe. These projects generate practical planning tools, policy recommendations, and innovative solutions that directly support cities in responding to the challenges of rapid urbanisation and climate change. Through these academic and research initiatives, SPA Vijayawada continues to bridge the gap between theory and practice, empowering students, researchers, and professionals to contribute meaningfully towards creating sustainable, resilient, and inclusive cities for the future.

ACADEMIC EXCELLENCE

The Departments of Architecture and Planning continued to enrich the academic environment through an extensive calendar of workshops, expert lectures, symposiums, design studios, seminars, and hands-on training programmes. These initiatives covered a wide spectrum of contemporary themes, including sustainable and climate-responsive design,

urban resilience, mobility planning, heritage conservation, digital design technologies, artificial intelligence, geospatial analytics, computational design, building performance simulation, environmental planning, and smart cities. Interaction with distinguished academicians, industry experts, policymakers, and international scholars provided students with valuable exposure to emerging trends, professional practices, and interdisciplinary perspectives. The Institute also celebrated important national and international occasions such as World Cities Day, World Town Planning Day, International Yoga Day, Constitution Day, Women's Day, National Science Day, and Vigilance Awareness Week through lectures, competitions, exhibitions, outreach activities, and student-led events. These programmes fostered holistic development by encouraging leadership, teamwork, social awareness, and community engagement beyond the classroom.

SPA Vijayawada has continued to strengthen its international academic engagement through student and faculty exchange programmes with leading global institutions. A significant milestone has been the successful implementation of semester exchange opportunities under international collaboration and credit transfer mechanisms, enabling students to gain global academic exposure while broadening their professional and cultural perspectives. The Institute has also expanded opportunities for flexible learning by encouraging students to pursue SWAYAM, NPTEL, and other MOOC courses, integrating online learning into the academic curriculum. Keeping pace with the evolving needs of the profession, the Institute regularly reviews and updates its curricula to incorporate emerging technologies, industry expectations, sustainability, and the principles of the Indian Knowledge Systems (IKS). The new and innovative first batches of the Master of Design (M.Des.) programme has further strengthened the Institute's interdisciplinary academic portfolio by bringing together graduates from diverse disciplines to explore contemporary design practices across multiple domains. The Department of Planning successfully organized the National Conference “HARIT–2: Environment Conducive Design and Planning for Sustainable Living”, providing a platform for researchers, academicians and professionals to deliberate on contemporary environmental planning and sustainability challenges.

The achievements of our students during the academic year reflect the Institute's pursuit of excellence. Students distinguished themselves in academics, research, design competitions, sports, cultural activities, and community outreach, while doctoral scholars made notable progress through quality publications, conference presentations, collaborative research, and scholarly contributions. Together, these accomplishments reaffirm SPA

Vijayawada's commitment to nurturing competent professionals, innovative researchers, and socially responsible leaders capable of addressing the challenges of the future. The following pages present a brief overview of the major academic achievements, research initiatives, student accomplishments, outreach programmes, and institutional activities undertaken during the year.

COMPETITIONS & PLACEMENTS

School of Planning and Architecture, Vijayawada, has secured 2nd Place in the overall NASA ranking among 300+ recognized institutions nationally. The National Association of Students of Architecture (NASA, India) is the largest architectural student body in the world with over 400 colleges imparting architectural education. The National Organisation of Students of Planning (NOSPLAN) is the pivotal body for Planning students in India. School of Planning and Architecture, Vijayawada participated in the 26th Annual NOSPLAN Convention and secured 1st place, keeping up its best performance year-on-year. Students of the Department have continued the tradition of academic and professional excellence by securing prestigious awards, national recognitions, and outstanding thesis distinctions – Ms. Ragapriya (MEPM) and Nihal Kader P. (MTP). Mr. Shaunak Ghosh received the First Prize (Gold Laureate) in Project Rakshak – Cohort I, organised by Crashfree India at the National Road Safety Implementation Forum, IIT Delhi, for developing an innovative road safety intervention. Mr. Prakash Raj, a fourth-year Bachelor of Planning student, was selected among the Top 100 participants to represent his state at the Viksit Bharat National Youth Festival, demonstrating exceptional leadership and commitment to nation-building initiatives.

Prof. Dr. Iyer Vijayalaxmi Kasinath received the prestigious National Award for Teachers in 2025, in the Higher Education Institutions category, which was presented by the Honourable President of India. This is in recognition of her work as a Senior Professor of Architecture at the School of Planning and Architecture, Vijayawada

SPA Vijayawada is committed to preparing graduates who are not only academically accomplished but also professionally competent, socially responsible, and future-ready. The multidisciplinary nature of Architecture and Planning today has expanded career opportunities beyond conventional practice into areas such as sustainable design, urban analytics, heritage conservation, infrastructure planning, policy research, digital technologies, entrepreneurship, and innovation. Through a strong emphasis on experiential learning, industry interaction, internships, and professional exposure, the Institute equips students with the knowledge and

skills required to excel in these diverse domains. Our graduates continue to secure placements with leading architectural firms, planning consultancies, government organisations, research institutions, and multidisciplinary companies through both campus and off-campus recruitment. Many also pursue higher education at prestigious institutions in India and abroad, while an increasing number are establishing successful professional practices and entrepreneurial ventures, reflecting the Institute's culture of innovation and leadership.

These achievements are a testament to the collective efforts of our students, faculty, staff, alumni, industry partners, and all stakeholders who contribute to the growth of the Institute. I extend my sincere appreciation to the faculty members, Heads of Departments, Deans, officers, and administrative staff for their unwavering commitment to academic excellence and student development. Together, we continue to build an institution that values knowledge, creativity, collaboration, integrity, and service to society while striving towards excellence in Architecture, Planning, Design, and the built environment.

CAMPUS INFRASTRUCTURE AND LEARNING RESOURCES

The School of Planning and Architecture, Vijayawada (SPA Vijayawada) provides a modern, technology-enabled campus designed to support excellence in teaching, research, innovation, and student life. Spread across 9.66 acres with a built-up area of over 53,500 sq. m., the campus comprises well-planned academic, administrative, residential, and recreational facilities that foster an enriching learning environment. The Academic Block houses spacious design studios, ICT-enabled classrooms, seminar halls, faculty offices, research laboratories, and administrative facilities. The residential campus includes well-equipped hostels accommodating over 770 students, complemented by dining facilities, common rooms, guest rooms, healthcare facilities, and recreational spaces that promote a vibrant campus community.

SPA Vijayawada is equipped with state-of-the-art laboratories that support education and research across Architecture, Planning, and Design. These include advanced Computer Laboratories, GIS and Transportation Laboratory, Environmental and Climatology Laboratory, Building Materials and Construction Laboratory, Survey Laboratory, Landscape Laboratory, Conservation Laboratory, and Art and Design Studios. The laboratories feature licensed professional software, high-performance computing systems, digital surveying equipment, LiDAR and photogrammetry tools, environmental monitoring instruments, and simulation platforms, enabling students and researchers to engage with contemporary technologies and real-world applications. The Institute also provides robust digital

infrastructure through a campus-wide high-speed network, data centre, enterprise ICT services, interactive smart classrooms, digital library services, e-governance systems, and modern security infrastructure. Additional facilities such as an auditorium, open-air theatre, cafeteria, sports amenities, and collaborative learning spaces contribute to a holistic educational experience. With continuous investments in infrastructure and technology, SPA Vijayawada remains committed to creating an innovative, inclusive, and future-ready campus that nurtures academic excellence, interdisciplinary research, and professional development.

CONCLUDING REMARKS

With this brief overview, I now come to the most significant moment of today's celebration, that is, the recognition of our graduating students. Dear Graduands, today marks the successful zenith of your academic journey at SPA Vijayawada and the beginning of a future filled with opportunities, challenges, and responsibilities. As you step into the professional world, carry forward the values of integrity, creativity, innovation, and service that have been nurtured during your time at this institution. Be lifelong learners, embrace change with confidence, and use your knowledge and skills to create sustainable, inclusive, and resilient communities.

On behalf of the entire SPA Vijayawada family, I extend my heartfelt congratulations to each one of you. I also congratulate your parents, families, teachers, and mentors, whose unwavering encouragement and support have been instrumental in your success. Your achievements today are a reflection of their faith, guidance, and sacrifices. I am confident that you will uphold the reputation of your alma mater and make meaningful contributions to the professions of Architecture, Planning, and Design, as well as to society at large. May your journey be guided by purpose, enriched by continuous learning, and rewarded with success and fulfilment. I wish you all the very best in your future endeavours.

Congratulations to the graduating class of the 10th Convocation of the School of Planning and Architecture, Vijayawada.

Jai Hind!

Prof. Dr. Ramesh Srikonda
Director, School of Planning and Architecture, Vijayawada

MEMBERS OF THE BOARD OF GOVERNORS (2025-26)

S.No.	Name of Members	Designation
1	Ar. Dr. Amogh Kumar Gupta	Chairperson
2	Prof. Dr. Ramesh Srikonda	Director SPAV - Ex-Officio - Member
3	Sri Kona Sasidhar, IAS	Principal Secretary, Dept. of HE, GoAP – Ex-Officio - Member
4	Shri Pradeep Kapoor	Rep. from ITPI – Member
5	Dr. More Ramulu	Rep. from AICTE- Member
6	Prof. Dr. Virendra Kumar Paul	Rep. from UGC- Member
7	Ar. Gajanand Ram	Vice-President, Council of Architecture Rep. from CoA- Member
8	Shri Sanjog Kapoor	Joint Secretary & Financial Advisor, MoE, GoI – Member
9	Shri Govind Jaiswal	Joint Secretary – Dept. of Higher Education, MoE, GoI - Member
10	Shri Manish Thakur	Joint Secretary, Nominee of MoUD- Member
11	Prof. Dr. Srinivas Daketi	Senate Nominee - (DoP) – Member
12	Dr. Rajakumari Muthusamy	Senate Nominee - (DoA) – Member
13	Mr. Shyam Kumar PVS	Deputy Registrar & Registrar SPAV - Ex-Officio – Secretary- Ex-Officio

MEMBERS OF THE SENATE (2025-2026)

Sl. No.	Name	Designation
1	Prof. Dr. Ramesh Srikonda	Chairperson
2	Dr. Mamatha P Raj	Member (AICTE Nominee)
3	Sh. Shantappa Balappa Honnur	Member (ITPI Nominee)
4	Ar. Roopal Rahul Deshpande	Member (CoA Nominee)
5	Ar. Rajesh Meheta	Member (Nominee of Chair, BoG)
6	Ar. Sandhya Manjunath	Member (Nominee of Chair, BoG)
7	Prof. Dr. Yogesh K Garg	Member (Nominee of Chair, BoG)
8	Dr. Vandana Sehgal	Member (Nominee of Chair, BoG)
9	Dr. Anamika Nandan	Member (Nominee of Chair, BoG)
10	Prof. Dr. S Venkata Krishna Kumar	Member (Dean - Academics)
11	Prof. Dr. Ch Anil Kumar	Member (Dean- Planning & Development)
12	Dr. Uma Sankar Basina	Member (Dean - Student Affairs)
13	Dr. Banu Chitra	Member (Dean - Research)
14	Dr. Rajkumari	Member (Dean – Faculty Welfare)
15	Prof. Dr. Adinarayanane	Member (Head - Planning)
16	Prof. Dr. Amitava Sarkar	Member (Head - Architecture)
17	Prof. Dr. Ayon Kumar Tarafdar	Member (Professor)
18	Prof. Dr. Iyer Vijayalaxmi Kasinath	Member (Professor)
19	Prof. Dr. Srinivas	Member (Professor)
20	Prof. Dr. Lilly Rose A	Member (Professor)
21	Prof. Dr. Janmejy Gupta	Member (Professor)
22	Prof. Dr. Shanmuga Priya	Member (Professor)
23	Dr. Prasanth Vardhan	Member (Internal Member)
24	Dr. RNS Murthy	Member (Internal Member)
25	Dr. Anurag Bagade	Member (Internal Member)
26	Mr. Shyam Kumar PVS	Secretary – Deputy Registrar & Registrar In-charge

FACULTY OF ARCHITECTURE

1. Prof. Dr Ramesh Srikonda, Director and Professor
2. Prof. Dr. Amitava Sarkar, Professor & Head, Department of Architecture
3. Prof. Dr. Iyer Vijayalaxmi Kasinath, Professor
4. Prof. Dr. M.Kailasa Rao M., Professor (Director SPA, Bhopal on Deputation)
5. Prof. Dr. Anil Kumar Chilakapati, Professor
6. Prof. Dr. Venkata Krishna Kumar Sadhu, Professor
7. Prof. Dr. Janmejy Gupta, Professor
8. Prof. Dr. Lilly Rose A, Professor
9. Prof. Dr. Shanmuga Priya G, Professor
10. Prof. Dr. Dr. Srinivas Daketi, Professor
11. Dr. Uma Sankar Basina, Associate Professor
12. Dr. Banu Chitra M, Associate Professor
13. Dr. Khuplianlam Tunngnung, Associate Professor
14. Dr. Nagaraju Kaja, Assistant Professor
15. Dr. Karteek Guturu, Assistant Professor
16. Dr. Ranga Naga Satyanarayana Murthy, Assistant Professor
17. Dr. Kranti Kumar Myneni, Assistant Professor
18. Dr. Jagath Kumari D, Assistant Professor
19. Dr. P. Siva Prasad, Assistant Professor
20. Dr. Faiz Ahmed C, Assistant Professor
21. Dr. Prashanti Rao, Assistant Professor
22. Mr. Karthik Chadavada, Assistant Professor
23. Mr. Pushpendra Kumar, Assistant Professor
24. Mr. Sanjay Bhandari, Assistant Professor
25. Mr. Deepak Kumar, Assistant Professor
26. Mr. Vijesh Kumar V, Assistant Professor

27. Mr. Kapil Natawadkar, Assistant Professor
28. Mr. Madhava Rao T, Assistant Professor
29. Mr. Santhosh Kumar Pedagadi, Assistant Professor
30. Ms. Somaina Islary, Assistant Professor

FACULTY OF PLANNING

1. Prof. Dr. Adinarayanane R, Professor & Head, Department of Planning
2. Prof. Dr. Ayon Kumar Tarafdar, Professor
3. Dr. Prasanth Vardhan, Associate Professor
4. Dr. Rajakumari Muthusamy, Associate Professor
5. Dr. Valliappan AL, Assistant Professor
6. Ms. Ekta, Assistant Professor
7. Dr. Naina Gupta, Assistant Professor
8. Mr. Rajeev R, Assistant Professor
9. Dr. Bhagwat Jayeshkumar Maheshkumar, Assistant Professor
10. Dr. Anurag Bagade, Assistant Professor
11. Mr. Srikanta Bhargava Teja, Assistant Professor
