CENTRAL LIBRARY

About

The Central Library of School of Planning and Architecture Vijayawada (SPAV) has started functioning since 2008. It is an integral part of academic system whose primary function is not only to serve students, researchers, faculty and staff but also to create a conducive environment for education, research and innovation.

The objective of the library is to become a central **SOURCE** of knowledge for **PROFESSIONALS** (academicians, architects, designers, engineers, scientists etc.) to empower **ACADEMIA** and enrich **VISIBILITY**.

At present, the library is holding more than 5000 collection of books and more than 100 numbers of periodicals (both print and electronic) and quite a few number of maps, theses and CD-ROMS (including Census, ASI, NSSO Data) etc. Library provides circulation, reference, CD-ROM, scanning, electronic document delivery and photocopy services to its users effectively. Moreover, library is attempting and ensuring the process of building resources and infrastructure facilities to reach users expectations and their demands.
